# Operations Updates

- Center for Safer Schools Safety Grant

# Center for Safer Schools School Safety Grant

The Center for Safer Schools (CFSS) received over 240 grant applications, with a total request of over \$85M. To be equitable as possible, they have decided to utilize the ADM (Average Daily Membership) range for the more equitable process of awarding funds. The amount that we have received is based on our ADM range and grant score.

# Safety Grant

Warren County Schools was awarded \$205,000!

- Equipment: \$85,000
- Services for Students in Crisis: \$75,000
- Training to Increase School Safety: \$45,000
