Dear Superintendent Dr. Carol Montague-Davis,

Greetings from the Department of Public Instruction. We are pleased to offer our congratulations to you and your entire district for your schools' performance during the 2023-24 school year. Enclosed you will find growth award certificates earned by the hard work of your students, educators and administrators.

We are presenting awards for achieving and exceeding expected academic growth under North Carolina's accountability system. In addition to displaying the certificate, schools may obtain a website badge graphic that can be used on the school's website or on printed items (banners, T-shirts) as they choose. To download the badge for growth, based on certificate category, schools may visit: bit.ly/dpigrowthbadges

These awards showcase the dedication to academic achievement in your school system of both students and educators. However you choose to distribute and celebrate these awards, please share the appreciation and congratulations from the entire Department of Public Instruction and the State Board of Education with everyone in your district.

Sincerely,
