**Ms. Jacqueline Hargrove**

Director of Talent Acquisition  
and Performance

CHAMPIONS  
for Children  
with kindness!

# Background Information

- Global Partners and Educational Partners International provide international educational programs and services to schools to increase student knowledge of content, languages and cultures. This includes global schools, dual language immersion programs, and exchange visitor teacher programs.
- Due to the shortage of teachers across the state of North Carolina and the United States, the district utilizes these vendors to help operate the district's educational program and to help fill critical needs positions (Science, Math, Exceptional Children, etc.)
